CH = Clear Height

SAFETY

- ▶ Ideal solution for elevator modernization with existing swing doors, leaving the maximum clear opening accessible
- ▶ Speed setting according to disabled people rules available
- ▶ Car door lock (available as option)

RELIABILITY

- ▶ High reliability and performance with ECO drive
- ▶ Compliant with EN 81-20/50 (optional)

COMFORT & DESIGN

- ▶ Two size of glass windows available
- ▶ No more clear opening reduction by bottom guiding shoes
- ▶ New and patented sill design
- ▶ Wide range of finishes available

EASY INSTALLATION

- ▶ Simple interface to existing elevator controllers
- ▶ Easy speed adjustment
