

PANORAMIC CAR

FROM DESIRE TO DESIGN

safety in motion™

PANORAMIC/CUSTOM

From desire to design

Custom cabins are one-of-a-kind solutions that make your ideas real. Thanks to our long experience and expertise in cabin manufacturing we help you find the best solutions, in terms of choice of materials, finishes and optional extras, to realize your projects, understanding what is need to be done in order to make your cabin unique

We use a wide range of materials, from plastic laminate and marble to coloured glasses and composite stones, able to satisfy your every special need and thanks to our production processes and manufacturing technologies, we can offer you cutting edge products with the best possible quality

Furthermore we can provide cabins designed according to the most important international standards including, for example, special solutions for different applications that satisfy even the most demanding testing requirements

PANORAMIC

Application: Shopping Centre

Wall: Framed glass

Floor: Metal

Ceiling type: Suspended
