

WITTUR **ReadyToGo** KIT

ELEVATE YOUR MAINTENANCE

PERSONALIZED CONFIGURATION

Tailor-Made Kits: Thanks to our user-friendly configurator available on WitturShop, you can customize your kit to perfectly match your specific applications.

Versatile Options: Whether you need a standard kit for regular maintenance operations or a premium kit for enhanced efficiency, our configurator allows you to choose exactly what you need.

OPTIMAL PERFORMANCE

Standard Kit: Ensure efficiency and longevity for your equipment with our essential maintenance bundle.

Premium Kit: Get the best out of your Wittur door with our most comprehensive service kit package.

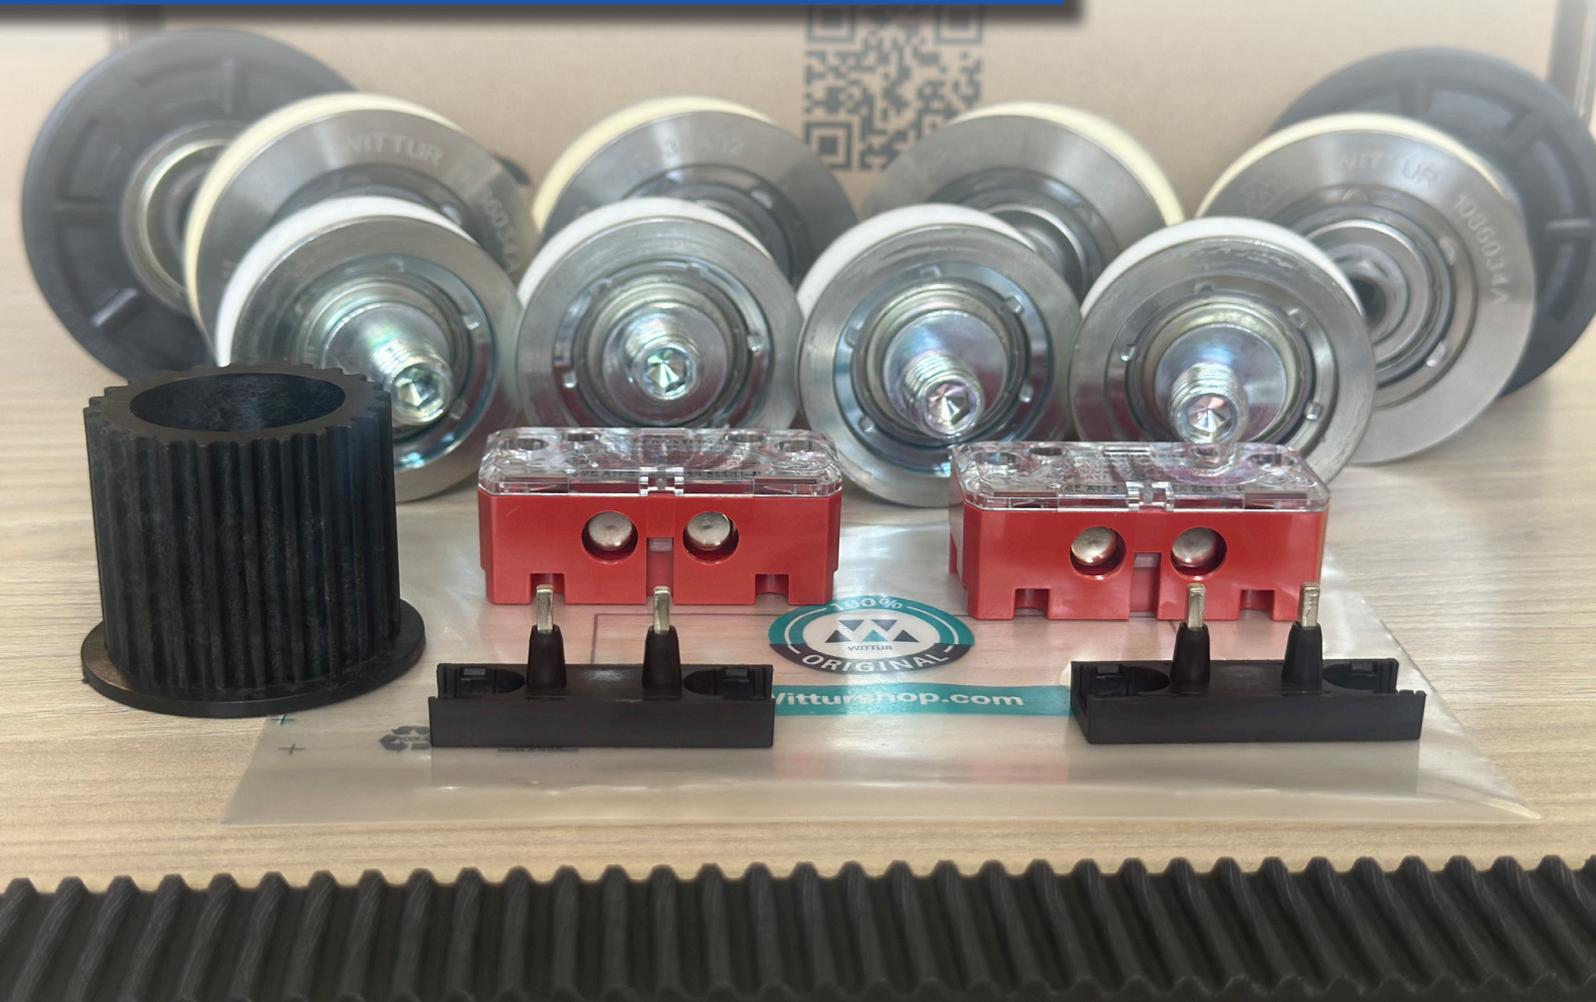

100% ORIGINAL SPARE PARTS

Quality Assurance: All components in our kits are 100% original Wittur spare parts, guaranteeing the highest quality and compatibility with your equipment.

Piece of Mind: Only the original parts assure the product Code fulfilment and the expected level of safety of the product. Wittur can not assure conformity of product affected by non-original parts.

FEEL SAFE, USE THE ORIGINAL!

WHY CHOOSE READYTOGO KIT

TAILOR MADE

Each ReadyToGo kit is configured and the contents match the exact specifications and needs of the elevator in question.

WEB CONFIGURATOR

Simply input the door's model and other relevant details, and our configurator will guide you through selecting the appropriate kit.

STANDARDS VS PREMIUM

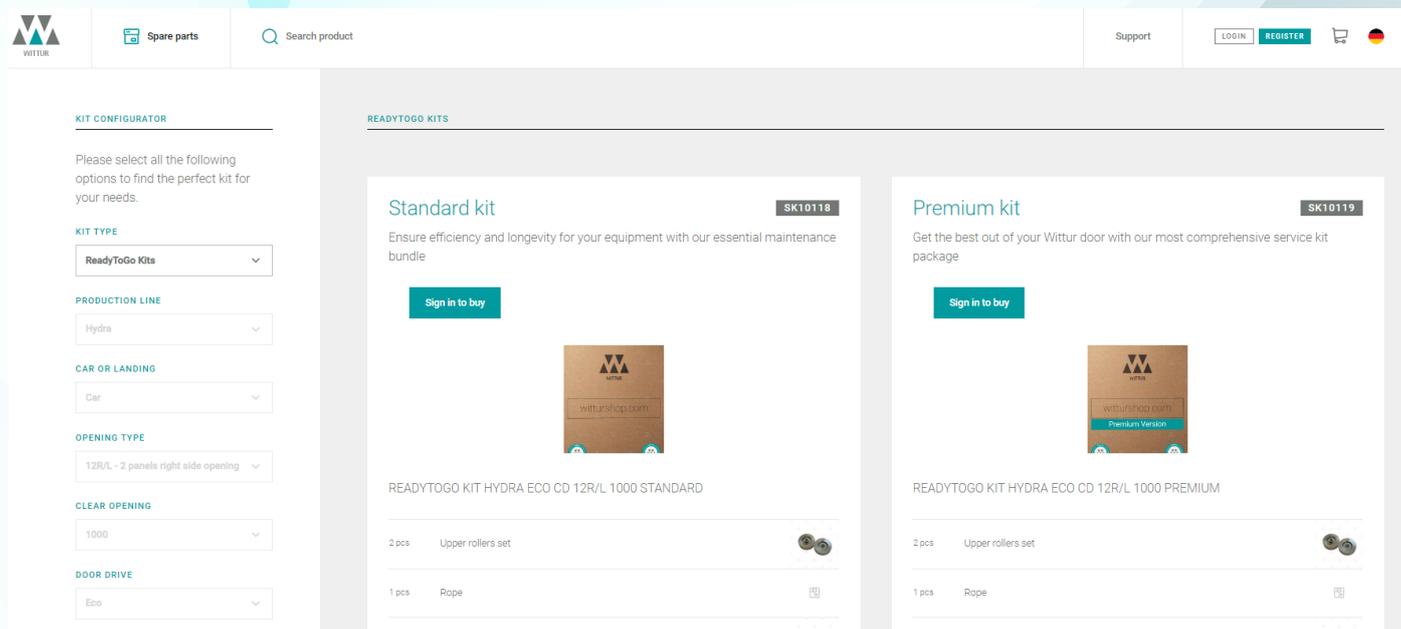

To better catch the different needs and budgets, each of our ReadyToGo kits is available in two versions, Standard & Premium.

100% ORIGINAL QUALITY

Only the original parts are designed and tested to meet the highest standards, ensuring optimal performance and longevity of your lift.

VERSATILE SOLUTION

Instead of sourcing single parts, you'll get all the necessary components on hand in one package, simplifying the procurement process.

The screenshot displays the WITTUR web configurator interface. At the top, there is a navigation bar with the WITTUR logo, a 'Spare parts' link, a search bar, and utility links for 'Support', 'LOGIN', 'REGISTER', a shopping cart icon, and a language selector (German flag). The main content area is divided into two columns. The left column, titled 'KIT CONFIGURATOR', contains a list of selection options: 'KIT TYPE' (ReadyToGo Kits), 'PRODUCTION LINE' (Hydra), 'CAR OR LANDING' (Car), 'OPENING TYPE' (12R/L - 2 panels right side opening), 'CLEAR OPENING' (1000), and 'DOOR DRIVE' (Eco). The right column, titled 'READYTOGO KITS', shows two product cards. The first card is for the 'Standard kit' (SK10118), described as an 'essential maintenance bundle' for the 'READYTOGO KIT HYDRA ECO CD 12R/L 1000 STANDARD'. It lists components: '2 pcs Upper rollers set' and '1 pcs Rope'. The second card is for the 'Premium kit' (SK10119), described as a 'most comprehensive service kit package' for the 'READYTOGO KIT HYDRA ECO CD 12R/L 1000 PREMIUM'. It lists components: '2 pcs Upper rollers set' and '1 pcs Rope'. Both cards feature a 'Sign in to buy' button and an image of the kit's packaging.
