

General Terms and Conditions of Wittur Elevator Components S.A.U. (“WITTUR”)

I. Applicability

The following terms and conditions shall apply for the sale of goods, the performance of work as well as for the supply of other deliverables by WITTUR towards:

1. entrepreneurs; or
2. legal entities under public law.

II. General

1. All deliveries and services are based on these terms and conditions, as well as on any separate contractual agreements. **Deviating terms and conditions of purchase on the part of the Purchaser shall not become part of the contract, even upon acceptance of the order, or if the deviation is in non-essential issues only.** In the absence of a deviating individual agreement, a contract shall be concluded with WITTUR's written confirmation.
2. WITTUR reserves the property rights and copyrights to samples, cost estimates, drawings and the like, information, data, information, results, inventions, discoveries, designs, drawings, protocols, procedures, processes, techniques, formulae, trade secrets, devices, compounds, physical and non-physical in nature - also in electronic form; they may not be made accessible to third parties.
3. The present General Terms and Conditions and the separate agreement between the Parties include the entire agreement. **Former practices, customs or agreements between the parties, further the practices and customs acknowledged in the given sector do not become part of the contract. The Purchaser declares that it studied and interpreted the clauses of this General Terms and Conditions and explicitly accepts the conditions, especially those marked with bold.**

III. Price, payment, financial situation of the Purchaser

1. In the absence of a deviating individual agreement, prices shall be ex works, including loading at the plant, but excluding packaging and unloading. Value added tax applicable at the respective statutory rate shall be added to the prices. In the event of significant cost changes occurring after the conclusion of the agreement and prior to effecting the delivery, in particular as a result of wage agreements, changes in raw material costs, other price adjustments on the part of subcontractors, or exchange rate fluctuations, that are beyond the responsibility of WITTUR and could not be foreseen with sufficient certainty, WITTUR reserves the right to adjust already agreed price lists accordingly to that changes and also the prices accordingly for goods that have already been ordered.
2. WITTUR reserves the right to adjust prices as follows:
 - (a) Where a price list is shown prior to the conclusion of a purchase contract, the prices shown are subject to change at any time and without notice. Only the prices set out in the price lists valid at the time of conclusion of the contract are relevant and shall apply.
 - (b) If for any reason beyond the control of WITTUR costs of material, inflation, labour, storage or delivery of the goods and any ancillary costs increase or decrease, WITTUR reserves the right to adjust the price of the ordered goods accordingly.
 - (c) In the event of significant cost increases the right to adjust prices also exists with regards to costs occurring after the conclusion of the contract and prior to effecting the delivery, if such cost increases could not be foreseen with sufficient certainty.
3. In the absence of a deviating individual agreement, payment shall be made without any deduction, i.e. the total amount is due without deductions as soon as the Purchaser has been informed that the main parts are ready for collection.
4. **The Purchaser shall only have the right to withhold payments or offset them against counterclaims to the extent that his counterclaims are undisputed or have been finally determined by a court of law.**
5. **Ongoing insolvency or bankruptcy proceedings against the Purchaser's assets entitles WITTUR to withdraw from the contract and to demand the immediate return of the delivery item.**
6. If, after conclusion of a contract with the Purchaser it becomes apparent that the fulfilment of the Purchaser's contractual obligations is at risk due to its financial situation (in particular in the event of suspension of payments, application for the opening of insolvency proceedings, seizure or execution measures, raising of bill or cheque protests and return of direct debits, also vis-à-vis or to third parties), WITTUR shall be entitled, at its own discretion, to withhold delivery until either advance payment of the purchase price or provision of appropriate security.
7. Should the advance payment or security deposit pursuant to Section III.6 not be provided by the Purchaser within two weeks, WITTUR shall be entitled to rescind the corresponding agreement.

IV. Delivery periods and dates, delay in delivery

1. Deliveries are made EXW in accordance with Incoterms 2010 from the respective company of WITTUR or from another place as designated by WITTUR, unless expressly agreed otherwise.
2. **Delivery periods and dates shall be individually agreed. They are non-binding, unless they are expressly specified as binding in the individual contract.** Delivery deadlines shall commence upon conclusion of the contract, unless expressly agreed otherwise. However, **delivery deadlines shall not commence until all commercial and technical questions between the parties to the contract have been clarified and the Purchaser has fulfilled all cooperation obligations incumbent upon him, such as the provision of the necessary official certificates or permits, and, to the extent that advance payment has been agreed, not before receipt of the agreed payment by WITTUR.** This does not apply when WITTUR is responsible for the delay.
3. **Subsequent changes to the contract may result in an extension of the agreed delivery deadlines and a postponement of the delivery dates.**
4. Compliance with the delivery deadlines and dates shall be subject to the correct and punctual delivery to WITTUR on the part of WITTUR's own suppliers.
5. WITTUR shall make the delivery item available for collection by the Purchaser at the contractually-agreed place of delivery before expiry of the respective delivery deadline and inform the Purchaser accordingly. The Purchaser shall collect the delivery item at the contractually agreed place and date of delivery. Deviating agreements are reserved.
6. If the delivery of the delivery item is delayed for reasons for which the Purchaser is responsible, the costs incurred as a result of the delay shall be charged to the Purchaser.

V. Transfer of Risk, Default of Acceptance, Partial Deliveries

1. The risk of accidental loss and accidental deterioration of the delivery item shall pass to the Purchaser upon delivery. When the delivery item is to be accepted by the Purchaser in accordance with the contractual agreement and the type of order, acceptance shall be decisive for the transfer of the risk in cases of accidental loss and accidental deterioration of the delivery item. For the rest, the statutory provisions of the law governing contracts for work and services shall also apply mutatis mutandis to an agreed acceptance. Delivery or acceptance shall be deemed to have taken place if the Purchaser is in default of acceptance.
2. The Purchaser shall be in default of acceptance if he does not collect the delivery item on the bindingly-agreed delivery date or, in the case of contractually-agreed acceptance, does not accept the delivery item despite readiness for acceptance. In the case of non-binding delivery periods or dates, WITTUR can inform the Purchaser within a period of two weeks that the delivery item is ready for collection and/or, in the case of contractually-agreed acceptance, that the items are ready for acceptance; if the customer does not collect and/or take delivery of the goods upon expiry of the period, he shall be in default of acceptance.
3. If the Purchaser is in default of acceptance, if he fails to cooperate or if WITTUR delays delivery for other reasons for which the Purchaser is responsible, WITTUR shall be entitled to demand compensation for the resulting damage and for any additional expenses incurred (e.g. storage costs). **WITTUR will charge the Purchaser additional expenses of EUR 15.00 per square metre and per month for any storage costs incurred for the above-mentioned reasons as penalty payment.**
4. WITTUR shall be entitled to make partial deliveries that their acceptance is not unreasonable for the Purchaser, and in particular when the delivery of the remaining ordered delivery item is secured and

the Purchaser does not incur any considerable additional expenditure or costs as a result of this (unless WITTUR declares its willingness to bear these costs).

5. WITTUR undertakes to take out the insurances as required by the Purchaser at the Purchaser's expense. WITTUR is entitled to demand the corresponding insurance premiums from the Purchaser in advance.

VI. Retention of title, insurance

1. **WITTUR retains its title to the delivery item until receipt of the purchase price of the delivery item.**
2. In case of resale, combination or processing, Parties agree as follows.
 - a) In the event of combination and processing, Purchaser acts on WITTUR'S behalf and therefore WITTUR acquires ownership on the combined or processed item. WITTUR acquires indirect possession and all rights resulting therefrom. The Purchaser further already now assigns the claims arising from contracts, in particular contracts for work and services, which he receives upon loss of ownership, even if these are not yet due.
 - b) When the goods delivered by WITTUR are resold to Purchaser's contractual partner, WITTUR gives its consent to the resale upon the condition that the Purchaser informs its contractual partner about the retention of title. The Purchaser hereby assigns all claims acquired by him as a result of the resale to WITTUR.
3. The Purchaser is obliged, upon request, to provide complete and exhaustive information on the whereabouts of the goods that were delivered subject to retention of title, the type of possible loss of WITTUR's title, the claims acquired thereby and the person of the third party.
4. Upon receipt of the claims by the Purchaser, the latter shall be obliged to fulfil WITTUR's claims arising therefrom immediately. Upon request, the Purchaser shall be obliged to hand over a written declaration of assignment to WITTUR. WITTUR is entitled to disclose the assignment. Further, upon request of WITTUR, the Purchaser shall provide its contractual party with an instruction of performance in accordance with the provisions of the Spanish Civil Code.
5. Any assignment of claims, as far as they originate from deliveries of goods obtained from WITTUR to third parties, in particular for the purpose of obtaining credit, is excluded. The Purchaser is obliged to inform WITTUR immediately of any seizures or other restrictions pertaining to WITTUR's ownership. A breach of this obligation shall render the Purchaser liable for damages. The consequences pursuant to Section III.5 shall apply. Any intervention costs incurred shall be borne by the Purchaser.
6. The Purchaser must insure the delivery item against transport, fire, theft, and water damage from the time it is handed over to the final transfer of ownership and bear the costs thereof.

VII. Warranty

WITTUR provides the following warranty for material defects and defects of title of the delivery to the exclusion of further claims - subject to Section VII:

1. **The Purchaser's rights in respect of defects presuppose that he inspects the delivery item on delivery in respect of quantity and quality (random inspection is not sufficient) and provides proper notice of defects immediately. Should the Purchaser not provide a proper notice of missing quantities or defects immediately, the delivery item qualifies as accepted and Purchaser loses its right to warranty unless there was a hidden defect which was not discoverable during inspection and that make the material unsuitable for the use for which it is intended.**
2. Complaints must be made in writing with a specific indication of the defect. **WITTUR must be notified in writing of incomplete deliveries and other recognizable defects immediately, but at the latest within one week after delivery; notification is to be made regarding hidden defects immediately and at the latest within one week after their discovery.** Acceptance and/or approval of the delivery item may not be refused for reason of insignificant defects. Claims arising from delayed notification of defects are excluded.
3. The costs for the inspection of the delivery item shall be borne by the Purchaser.
4. In the case of defective goods, **WITTUR shall, at its own discretion,** provide subsequent performance by remedying the defect (subsequent improvement) or deliver a defect-free item (subsequent delivery).
5. After agreement with WITTUR, the Purchaser must give WITTUR the necessary time and opportunity to carry out all repairs and replacement deliveries that appear necessary. **Only in urgent cases, where operational safety is endangered, or so as to prevent disproportionately large damage, whereby WITTUR is to be informed immediately of the intended remedying method and the estimated expenditure for remedying the defect - if possible in writing - and the remedying method is to be agreed with WITTUR, the Purchaser shall have the right to remedy the defect himself or have it remedied by third parties – in which case a third party recommended by WITTUR should be preferable used -, and then demand reimbursement of the necessary expenditure from WITTUR.** The right of self-remedy does not exist if WITTUR would be entitled to refuse a corresponding subsequent performance in accordance with the statutory provisions.
6. Of the costs arising from the repair or replacement delivery, WITTUR shall bear - insofar as the complaint proves to be justified - the costs of the replacement part, including any agreed shipping costs.
7. Within the context of the statutory provisions, the Purchaser has a right to withdraw from the contract if WITTUR - by taking into account the statutory exceptions - allows a reasonable period of time to remedy the defect or to make a subsequent delivery owing to a material defect to lapse fruitlessly. The Purchaser's right of withdrawal or the assertion of a claim for damages instead of the entire performance in the event of the existence of an insignificant defect that does not significantly impair the use of the delivery item is excluded.
8. WITTUR shall only be liable for public statements, in particular in advertising, if WITTUR has initiated them and chosen its content. **In such cases, it is only liable when the advertising actually influenced the purchase decision.**
9. Guarantees shall only be assumed by WITTUR when a special agreement has been made. **Any reference to technical standards, e.g. DIN standards, serves only to describe the goods and does not constitute a guarantee.**
10. No warranty is assumed in particular in the following cases:
 - Unsuitable or improper use, faulty assembly or commissioning by the Purchaser or third parties,
 - natural wear and tear, faulty or negligent treatment, improper maintenance, unsuitable operating materials, defective construction work, unsuitable subsoil, chemical, electrochemical or electrical influences - insofar as WITTUR is not responsible for them.
11. If the Purchaser or a third party carries out improper repairs, WITTUR shall not be liable for the resulting consequences. The same shall apply to changes to the delivery item made without WITTUR's prior written consent.
12. The limitation period for warranty rights shall be one year from delivery of the delivery item. However, this limitation shall not apply if (i) a defect has been fraudulently concealed or (ii) a guarantee has been given for the quality of the delivery item (in this respect, the guarantee regulation or limitation period resulting from the guarantee may apply). In the event of claims for damages, this limitation shall not apply in the following cases: (i) injury to human life, physical safety or health, (ii) wilful misconduct and (iii) gross negligence on the part of WITTUR's officers or directors, and (iv) liability according to the provisions of the Spanish Civil Code on product liability .

VIII. Liability

1. When the delivery item cannot be used by the Purchaser in accordance with the contract through the fault of WITTUR as a result of the breach of contractual ancillary obligations, the provisions of Sections VII. and VIII. 2 et seq. shall apply accordingly to the exclusion of further claims by the Purchaser.
2. WITTUR shall be liable irrespective of the type of breach of duty, including unlawful acts, when WITTUR acted with intent.
3. **WITTUR shall be liable for negligence and only up to the amount of the typical, foreseeable damage.**

4. Any liability on the part of WITTUR – for whatever legal reasons – is excluded for damages that have not occurred to the delivery item itself. Therefore, WITTUR shall not be liable under any circumstances for consequential damages, indirect damages, financial losses, damages due to delay, damages to third parties, immaterial damages, loss of profits, as well as damages resulting from loss of production, loss of use or the like.
5. The limitations of liability and exclusions in Sections VIII.2., VIII.3. and VIII.4. shall not apply to damages resulting from injury to life, body or health or in the event of fraudulent concealment of defects when WITTUR acted with intent, or in the event of liability for claims based on the provisions of the Spanish Civil Code on product liability.
6. Insofar as WITTUR's liability is excluded or limited, this shall also apply to WITTUR's employees, executives, representatives and vicarious agents.
7. WITTUR's obligations based on quality or durability guarantees are not restricted by the provisions in Sections VIII.2. to VIII.5.

IX. Statute of limitations

All claims of the Purchaser - on whatever legal grounds - shall become statute-barred after 12 (twelve) months. Provisions in section VII.12. sentence 2 remain unaffected.

X. Force Majeure

1. If WITTUR is hindered in its performance of its contractual obligations due to force majeure such as mobilization, war, terrorism, riots, natural disasters, flooding, fire, explosions or other unforeseeable circumstances for which WITTUR is not responsible, such as strikes or lawful lock-outs, operational or transport disruptions, difficulties in procuring raw materials, virus and other attacks by third parties on the IT system of WITTUR, insofar as these occur despite the observance of the usual care taken in protective measures, as well as direct or indirect effects of epidemics or pandemics (including COVID-19), including associated official authorities, legal or other measures, the agreed delivery periods shall be extended by the duration of the hindrance plus a reasonable start-up period. WITTUR shall not be held responsible for the aforementioned circumstances even if they occur during an already existing default. WITTUR shall inform the purchaser of the beginning and the expected end of such circumstances as soon as possible.
2. In the event of force majeure WITTUR also has the right (a) to reject an order or (b) if the hindrance lasts six weeks or longer to cancel an order. If the hindrance lasts six weeks or longer the Purchaser may also rescind the contract.

XI. Compliance with regulations and export

1. Purchaser shall comply with all applicable legal, regulatory and governmental requirements, including applicable import and export regulations and other laws of the country in which Purchaser sells, otherwise places on the market or uses the goods. Purchaser shall obtain and maintain, in a timely manner, all necessary permits and licenses and any other authorizations required to use or export the goods under all such applicable laws.
2. WITTUR is entitled to withhold delivery to the Purchaser if the delivery to the Purchaser would violate such applicable laws or if the required permits have not been procured and this is not due to the fault or responsibility of WITTUR.
3. WITTUR also reserves the right (a) to reject an order or (b) to cancel an order if such order or the subsequent delivery would infringe applicable sanction laws or embargoes.

XII. Applicable law, place of jurisdiction

1. Spanish law, without application of the international private law rules, shall apply exclusively to all legal relationships between WITTUR and the Purchaser. The application of the United Nations Convention on Contracts for the International Sale of Goods is excluded.
2. The place of jurisdiction shall be the court responsible for the registered office of WITTUR. However, WITTUR is entitled to file a lawsuit at the Purchaser's headquarters.
