

INHOUSE TRAININGS

PROGRAMM TRAININGS AT LM LIFTMATERIAL

Further information at www.wittur.com

Liftmaterial
a WITTUR brand

Offer courses

The courses will be held in German or English by lecturer with a wide range of skills in theory and practice. Lift-specific previous knowledge analogous and according to the training contents are expected. Subjects will be explained both in theory and shown practically. Maximum number of participants is 6 people per course. The course fee includes meals and training material. After the course each participant receives a certificate.

1.1. ONYX Mounting/Start-Up Step-Controller

Mechanic installation
Electrical installation
Circuit diagram
Adjust of parameters
COP/LOP
Mounting and start-up
Ropes (mounting, cable tension)
Practice (start-up and diagnostic)
Requirement: Expertise Elevator, Electrical Knowledge
Safety Shoes S2, Cut Resistant Gloves

195,00 €

1.2. ONYX Mounting/Start-Up Wittur E-Pack-Controller

Mechanic installation
Electrical installation
Circuit diagram
Adjust of parameters
COP/LOP
Mounting and start-up
Ropes (mounting, cable tension)
Practice (start-up and diagnostic)
Requirement: Expertise Elevator, Electrical Knowledge
Safety Shoes S2, Cut Resistant Gloves

195,00 €

1.3. ONYX Mounting/Start-Up NEW-Controller

Mechanic installation
Electrical installation
Circuit diagram
Adjust of parameters
COP/LOP
Mounting and start-up
Ropes (mounting, cable tension)
Practice (start-up and diagnostic)
Requirement: Expertise Elevator, Electrical Knowledge
Safety Shoes S2, Cut Resistant Gloves

195,00 €
