LA NOSTRA CABINA CON ARCATA INTEGRATA

$$2 + 2 =$$

EASY

La nostra cabina con arcata integrata

Leggera, flessibile, affidabile, confortevole e dal design moderno. Questi sono solo alcuni degli aggettivi che descrivono Easy, la soluzione perfetta per le modernizzazioni, conforme alla norma EN 81

Easy non è solo una cabina, è una soluzione completa di cabina e arcata integrata che si adatta perfettamente ai vani ridotti. La caratteristica peculiare di questa soluzione è la distanza fra le guide che è di solo 30-40mm (a seconda del rivestimento) superiore alla larghezza della cabina

Ciò permette di avere dimensioni più compatte e più spazio all'interno della cabina rispetto alle soluzioni standard

Leggero, affidabile e flessibile, questo prodotto non ha parti saldate. Ha un assemblaggio facile e veloce ed è inoltre ideale per la logistica
