

SUMMER IS COMING

Dear business partner, With this first Newsletter, we expect to be able to inform you better and quicker about the latest **Wittur** information and activities.

You will always be aware of our latest technical solutions and services (for example: [Electrical safety gear](#) – parametric Vario coupler):

WITTUR JOINED FORCES WITH SEMATIC

Starting 01.07.2018, the Sematic spare parts are available at your local **Wittur** dealer. You will experience a quicker order handling and delivery of original Sematic parts using only one supplier. [Check for more](#)

With this, we take the next step in the merger of Wittur & Sematic.

SHOWROOM GRAND OPENING !

Our complete **Wittur** BeNeLux team gives you a warm welcome at the opening of our brand new showroom in Almere on the 27th & 28th of September 2018.

Please visit us and experience our complete portfolio of components while having a bite and drink in our pleasant **Wittur** atmosphere.

At the same time we will take the opportunity of saying goodbye to Johan Stoop and thanking him for his 26 years of employment at our company.

We herewith request you to inform us through info.nl@wittur.com whether you will be present and if so: with how many persons in total on which day, morning or afternoon and/or you will be joining us for lunch.

SPARE PARTS CATALOGUE

Wittur has recently released its Spare Parts catalogue for door parts. If you didn't receive this catalogue yet; please don't hesitate to contact us or download this directly through [here](#).

If you have any suggestion? Please don't hesitate to send us a mail info.nl@wittur.com
[Our new General Delivery Conditions will be applicable starting 01-09-2018](#)
